“Achieving Energy Security and Addressing Climate Change”

An important part of the Council’s mission is to support the future success of Jacksonville as an international trading center and ensure that our citizens are informed participants in the First Coast’s business and economic policy debates. The Global Business Luncheons offer invaluable insight into international political, economic, business and financial trends - information that is important to First Coast businesses as they make both short and long term development, staffing and investment decisions.

On behalf of that World Affairs Council of Jacksonville, I would like to announce that Luc J. Messier, Senior Vice President of Project Development, ConocoPhillips will be the guest speaker at a timely Global Business Luncheon at The River Club, 1 East Independent Drive on Wednesday, Dec. 3 from noon until 1:30 pm.

The topic of discussion will be, *“Achieving Energy Security and Addressing Climate Change.”* This talk will examine the burgeoning energy demand and its impact on global finance and business.

Table Sponsorship for 10 is available for \$1,000.00. Individual tickets are available for purchase for \$45.00 each for Council members and \$65.00 each for non-members. Please call the Council office at (904)280-8162 or visit our website at www.worldaffairscounciljax.org to purchase tickets.

This event is supported by Water Street Capital, The Haskell Company, Jacksonville University, SunTrust Bank, North Florida, The St. Joe Company, The Holmes Organisation Private Client Group and Mayo Clinic.

The Media Sponsor is the *Jacksonville Business Journal*.

Please see the attached bio. and photo for Mr. Messier.

As one of the most prestigious citizen forums in Northeast Florida, the World Affairs Council of Jacksonville is a non-profit, non-partisan, educational organization devoted to engaging the community in discussions about global issues of today and tomorrow. Our mission is to promote an understanding of the world and its people and to engage citizens of Northeast Florida in becoming informed participants in the global community.
