An important part of the Council's mission is to support the future success of Jacksonville as an international trading center and ensure that our citizens are informed participants in the First Coast's business and economic policy debates. The Global Business Luncheons offer invaluable insight into international political, economic, business and financial trends - information that is important to First Coast businesses as they make both short and long term development, staffing and investment decisions.

On behalf of that World Affairs Council of Jacksonville, I would like to announce that Dennis Lockhart, President, Federal Reserve Bank of Atlanta, will be the guest speaker at a timely Global Business Luncheon at The River Club, 1 East Independent Drive on Thursday, Sept. 10 from noon until 1:30 pm.
